

The Brotherhood of St. Andrew

Is a men's ministry named for Saint Andrew who, according to John's Gospel, after meeting Jesus, went to find his brother Simon, and said to him, "We have found the Messiah." Then he took Simon to Jesus.

The Brotherhood of St. Andrew has been a ministry to men for over 125 years. By emulating the act of Andrew, the first Brothers Andrew reached out to men in rooming houses, providing Bibles and inviting them to come to church for worship, to hear the Holy Scriptures and accept Jesus into their lives. They brought men to be baptized and these men were later confirmed in the church. Brothers Andrew were evangelizing men and leading them into Christ's Kingdom. The Brotherhood grew, and became an international ministry.

There is no limit to our ministry to men as long as the mission purpose is to be willing to share our faith with other men, and that we have accepted Jesus Christ as Lord and Savior. This is the mission to which God calls the Brotherhood of St. Andrew - to bring others nearer to Christ through his Church.

Are you this man?

On Sunday morning, and on most Sundays, you are in Church; maybe you even attend a Bible study class before or after the service.

And

During the week you observe a regular time each day to read the Holy Scriptures and spend some time in prayer.

And

You even keep your pledge to your parish up-to-date, or perhaps you even tithe the income you receive.

And

Whenever you get a call to help someone or assist with a new parish project, you do all you can to help out.

Impressive!

If others knew that this was so, they certainly would be impressed with you.

But

Somehow you're not all that impressed yourself. You feel that there is something more that you could do, maybe something with a clearer focus that will inspire you to grow more in your spiritual life and find the answer to questions you may have.

Maybe

It's possible you've been part of a Prayer Breakfast Group, joining in prayer regularly for the needs and concerns of other people.

And you became aware that the prayers were helpful not only for others, you found that in praying for others your own life was strengthened.

And

It could be that you've gone out in the past and called on people to invite them to visit your Church.

And you were amazed that your visits were well received and people expressed their thanks that someone cared about them.

And you found your own life actually strengthened and challenged in the process of reaching out to others.

And lately

You have been thinking of how great it would be to be part of a group in your present Parish which makes it a point regularly to:

- Pray together for others
- Read Scripture and discuss the meaning for their lives
- Spend time in reaching out to others to draw them into your Christian fellowship.

Perhaps

You haven't known how to get such a group started. You haven't known who to ask. You weren't sure if anybody else might be interested.

Good News

In the Episcopal Church there is a dedicated group of laymen who for 125 years have been organized to:

- Pray together
- Study the Holy Scriptures
- Serve as laymen leading people to Jesus Christ.

The name of this ministry is:

The Brotherhood of St. Andrew
